Re: Practical Nursing Position

Dear Hiring Committee,

I am writing to express my interest in a Registered Practical Nurse position in the Emergency Department at Peterborough Regional Health Centre. As a current Nursing Extern with clinical experience across medical-surgical, cardiac, and emergency units, I have developed a strong ability to stay composed under pressure while delivering safe, compassionate, and timely care.

My recent placement in PRHC's Emergency Department has been a defining experience in my nursing education. Working alongside experienced nurses and physicians, I participated in patient assessments, and subacute interventions. These moments reinforced my ability to think critically and communicate clearly, even in fast-moving, high-stress environments. I learned that effective teamwork and empathy are as vital as clinical skill in helping patients feel safe and supported during a crisis.

Through my ongoing Nursing Extern role in the Medical-Surgical Unit at PRHC, I've continued to strengthen my clinical judgment, time-management, and documentation skills. Combined with my earlier leadership experience as a small-business owner, I bring a disciplined, organized, and collaborative approach to every shift. My goal is to continue growing as a nurse within PRHC's Emergency Department—an environment where I can contribute to patient stabilization, continuous learning, and compassionate, evidence-informed care.

Thank you for considering my application. I would be grateful for the opportunity to further discuss how my experience and commitment to high-quality emergency care align with PRHC's mission. I can be reached at (416) 977-4668 or mirodi@flemingcollege.ca, and I look forward to the possibility of contributing to your exceptional team.

Sincerely,
Michael Rodin
